

Curriculum Vitae (September 2017)

Guiling Wang

Professor
Department of Civil and Environmental Engineering &
Center for Environmental Sciences and Engineering
University of Connecticut
261 Glenbrook Road, U-2037
Storrs, CT 06269-2037
Email: gwang@enr.uconn.edu
Phone: 860-486-5648

Education

Massachusetts Institute of Technology, Ph.D. in Hydroclimatology, 2000
Tsinghua University, M.S. in Hydrodynamics and Hydrology, 1995
Tsinghua University, B.E., Hydraulic Engineering, 1992

Professional Experience

2013 – Present: Professor, Department of Civil & Environmental Engineering,
and Center for Environmental Sciences and Engineering,
University of Connecticut
2016 – 2019: School of Engineering Centennial Professor, University of Connecticut
2015 – 2016: Director of Graduate Education, School of Engineering, University of
Connecticut
2009-2013: Al Geib Term Professor in Environmental Engineering Research and
Education, University of Connecticut
2009 – 2012: Director, Environmental Engineering Program, University of Connecticut
2008 – 2013: Associate Professor, Department of Civil & Environmental Engineering
and Center for Environmental Sciences and Engineering,
University of Connecticut
2003 – 2008: Assistant Professor, Department of Civil and Environmental Engineering,
and Center for Environmental Sciences and Engineering,
University of Connecticut
2001 – 2002: Assistant Research Scientist, Goddard Earth Science and
Technology Center, UMBC & Data Assimilation Office, NASA/GSFC
2000 – 2001: Research Associate, Program in Atmospheric & Oceanic Sciences
and Department of Ecology & Evolutionary Biology, Princeton University

Research Interests

Hydrological Extremes (Flood and Drought); Hydroclimatology;
Land-Atmosphere Coupling; Ecosystem-Climate Interactions;
Climate-Water-Food-Energy Nexus; Hydrological-Biogeochemical Cycles.

Honors and Awards

School of Engineering Centennial Professor (2016-2019)
Al Geib Associate Professor (2009-2013)
Elected to the Connecticut Academy of Sciences and Engineering (CASE) in 2014
Connecticut Technology Council Women of Innovation 2010 finalist

Synergistic Activities

Member, American Geophysical Union

Member, American Meteorological Society
Invited Attendant, Sackler Forum on “Integrated assessment modeling and future needs of climate change research”, 2012
Associate Editor (2004 – 2010), *Journal of Geophysical Research –Biogeosciences*
External Expert, International Food Policy Research Institute
NSF, NOAA, NASA Review Panels

Significant University Services

Chair, CEE PTR Committee (2015-17)
Member, CEE PTR Committee (2008-12; 2017-18)
CEE Department Head Search Committee (2014)
School of Engineering Dean Search Committee (2013)
School of Engineering Dean’s PTR Council (2013-15)
Provost’s Environment Committee (2009-2012)
Faculty Search Committees (2006, 2007, 3 in 2012, 2013-14, 2016-17)
Atmospheric Science Group Executive Committee (2007-present)
SoE Course and Curriculum Committee (2009-2012)
SoE Graduate Committee (2009-2010, 2013-14)
Center for Geosciences Faculty Advisory Committee (2004-2007)
Chair, ENVE Graduate Admission Committee (2005-2012, 2013-15)
Departmental Course and Curriculum Committee (2009-2012)
Departmental Graduate Committee (2008-2009, 2014-15)
Departmental Workload and Merit Committee (2007)
Faculty Advisor, UConn Chinese Undergraduate Students Association (since 2004)

Refereed Publications (* papers led by students/postdocs/visiting scholars)
